REQUEST FOR EXTENSION OF TIME

Pursuant to Federal Circuit Rules 26(b) and 27, Appellee, Sling TV, L.L.C, (“Sling”), respectfully requests the following extension of time in which to file Sling’s responsive brief. Presently, Sling’s responsive brief is due to be filed on May 23, 2023. Sling requests an extension of 59 days to file its responsive brief. Sling’s proposed extension would extend Sling’s due date to July 21, 2023.

As explained more fully in the attached Declaration of Eliot Williams (counsel for Sling), Sling submits that good cause exists for an extension. Sling requests the additional time to accommodate ongoing personal and professional commitments, obligations, and schedules of its counsel, and to provide Sling with additional time to thoroughly prepare its responsive brief, which should be of assistance to the parties and the Court.

This is Sling’s first request for an extension of time in this matter.

Sling has contacted Appellant’s counsel regarding its intention to file a motion for extension of time to file its responsive brief, who indicated that Appellant does not oppose this motion and will not file an opposition to this motion.

For the foregoing reasons, Sling respectfully requests that this Court grant this unopposed motion and extend the deadline for Sling to file its responsive brief to July 21, 2023.
